

## **Sungho, Chang**

Principal Researcher, Power Generation System Group, KEPCO Research Institute

105 Munji-Ro, Yuseong-Gu, Daejeon 34056, Korea

Office: +82-42-865-5621, E-mail: [sungho.chang@kepco.co.kr](mailto:sungho.chang@kepco.co.kr)

---

### **Education**

2000. 12. Precision Mechanical Eng. Ph.D. Completion, Chonbuk National University

1994. 02. Precision Mechanical Eng. M.S., Chonbuk National University

1992. 02. Precision Mechanical Eng. B.S., Chonbuk National University

### **Experience**

2011. 12 – Present : Principal Researcher, Power Generation System Group, KEPCO Research Institute

2002. 03 – 2011. 11 : Senior Researcher, Plant Integration Group, KEPCO Research Institute, Korea

1997. 03 – 2002. 02 : Researcher, Life Assessment Group, KEPCO Research Institute, Korea

1994. 02 – 1997. 03 : Researcher, IGCC Group, KEPCO Research Institute, Korea

### **Research Interest**

Hot Gas Path component maintenance & management of Gas Turbine

Life assessment for High-pressure & high-temperature component of power plant

Operation & maintenance Optimization, asset management of power plant
